CERTIFICATION

Township Board Meeting.

Dated: 9/12/19

Barbara J. Collins, Clerk

Barb Collins, Township Clerk

MILAN TOWNSHIP MONROE COUNTY MICHIGAN  
PROCEDURES FOR GRANTING AND  
REMOVING REAL PROPERTY EXEMPTIONS

The Michigan Constitution of 1963 (as amended) and the General Property Tax Act (PA 206 of 1893, as amended) set forth that all real and personal property located within the State of Michigan is subject to ad valorem property taxation, unless expressly exempt.

Real and Personal property exemptions are identified and authorized within specific sections and subsections of Section 211.7 and Section 211.9 of the Michigan Compiled Laws. Further, Michigan Courts have set that the burden of proof of exemption entitlement rests with the claimant/applicant. A claimant/applicant's 501c(3) status is not a determining factor exemption (American Concrete Institute v State Tax Commission, 12 Michigan App595;163 NW2d508(1968);

In order for an exemption of ad valorem property to be approved and added to the assessment roll, the following procedures will be followed:

1. A completed "Real Property Tax Exemption Application" must be filed with the Milan Township's Assessing office on or before December 31<sup>st</sup>.
2. ALL attachments/documents must be submitted with the application:
  - a. Copy of proof of ownership document
  - b. Copy of Articles of Incorporation
  - c. Copy of Bylaws
  - d. Copy of any pamphlet, other information, or literature describing the functions of the organization
  - e. Copy of previous year's income tax filings including charitable exemption applications
  - f. Copies of all leases including sub-leases in effect for the subject property during previous calendar year.
3. A file will be created for the review and approval process.
4. A field inspection of the property will be completed.
5. If necessary, the Township attorney will be asked to review the file and give an opinion.
6. The official notification of the taxable status will be the annual assessment change notice.
7. Taxpayers may appeal the Assessor's determination at the March Board of Review.

If the Assessor has sufficient evidence that the taxpayer no longer qualifies for the real property exemption, they need to immediately remove the exemption and send property notification to the taxpayer outlining their appeal rights. If the Assessor does not receive

sufficient supporting documentation accompanying the application, the Assessor should also send the taxpayer denial information along with their appeal rights.

Assessors do not have the authority to grant/approve exemptions that are not complete.

Applications that are submitted without proper documentation are considered to be incomplete.

Adopted by the Milan Township Board on 9/12/, 2019.

Road Improvement Priority Recommendations to Twp Board of Commissioners  
August 13, 2019

Sherman Road between Wabach Rd and Platt Rd.

Rationale: Due to significant truck traffic from the City of Milan industrial park taking Sherman to Wabash and vice versa, the road deteriorates quickly especially in bad weather or thawing roads.

Requested Action: Provide a more significant base so the road can sustain the heavy traffic.

Cone Road between US-23 and Ann Arbor Road Intersection and Ann Arbor Railroad Crossing

Rationale: The transition from pavement to gravel has deteriorated significantly since it is now below the ditch level. Therefore, water and ice will sit there for days. The house adjacent to the transition has traffic using his yard to avoid the holes. Due to significant road traffic off of US-23 utilizing the turnaround, the problem continues to get much worse.

Requested Action: Develop a long term fix taking into account the water, the traffic and the rural transition.

Platt Rd from City of Milan to Cone Road

Rationale: Significant truck traffic from city of Milan Industrial Park. The historical plan was to pave the distance from the park to Cone Rd to allow for a smoother thoroughfare for the truck traffic.

Action: Develop a plan to pave this portion of Platt Road.

County Line Road from M-50 to Ridge Road

Rationale: The county committed to repaving after it was transitioned to gravel. The residents are still interested in having the road paved.

Action: Pave CL Rd.

Dundee Azalia Road in Azalia

Barb,

I have a couple of prices to look at.

*(2)  
+ \$400-500*

To up grade the existing desktops would run about \$200.00 to \$250.00 each. As during the upgrade process I would replace the hard drives with solid state drives before upgrading to Windows 10 Professional.

#### New Computers

Dell Optiplex 3060

-Core i5 Processor

- 8 Gigabyte of ram.

- 256 Gig Solid State Hard Drive

- Windows 10 Professional

- Keyboard and Mouse

- 3 year warranty

- \$685.00 each

*x2 = 1370.00  
685  
x2 = 1370.00  
3-297.00  
3-2055.00*

Other items to consider

Upgrading to office 2016 @ \$99.00 per computer

*x2 = 6210 3-315.00*

Approximately 2 hours labor @ \$105.00 each to install.

The computers are a little bit more but do come with a 3 year warranty.

I have installed several of these and most recently at Berlin and they are quite happy with them.

Please let me know if you have any questions.

Thanks
