Budget review:

There was discussion about the cemetery. Cost for roads and maintenance will go up. When they start selling the sites it should recover the cost.

We need a new Auditor! We have a new Treasurer and the Clerk has never got the answers needed for several items. Brian asked her to correct some things then said no and she had to re-do everything he just had her do. Do we charge them for her time?

Supervisor Heath said he will call Sarah and see if we can get someone different out here to answer some questions.
