Business

- **Review and Discussion of the Solar Energy Farm draft Ordinance. Chairman Schauer read the draft ordinance. There were a few minor suggestions, which will be included in the next reading of the draft. Numerous questions from the public were received, discussed and apparently answered to everyone's satisfaction. It was agreed to continue this public hearing at our next meeting on August 11, 2020 where the ordinance will be reviewed again.**

- **Review and discussion of Article 6.02 Accessory Building size restrictions. Chairman Schauer asked the members to review and consider if larger accessory buildings would be appropriate within the various lot size parameters. We will discuss this at the next meeting.**

No additional public comment.
